

00596. 610908. FREEBURG, PCT2. 60010. G. N. C.F

**Chuck Freeburg:**

Works for William Blair, involved in municipal project funding State and federal projects for, knows that Canadian National dropped out of Create (an organization) established to eliminate congestion in Chicago. CN dropped out because they did not want to pay for it. 23 locations at a minimum. The crossroads should all be underground in Barrington. If they dropped out of it in Chicago, they should use the money they saved to put the rail underground or over ground in our town.
